

Connecting You to the Buyers Who Purchase Your Products and Services

The BH Sky Active Buyers Contact Database is the only database of its kind, providing difficult to find contact information for over 400,000 public sector buyers from federal, state, local, and education purchasing offices.

What is an active buyer?

Active buyers are agency purchasers or buyers that have recently purchased specific products/services.

With BH Sky's highly-targeted active buyers list, you can:

- Save time identifying government buyers
- Get a jump on your competition with direct access to potential customers
- Stay on top of customers' minds with proactive, ongoing communications
- Build relationships to become a preferred vendor
- Identify and market to pre-qualified buyers eligible to purchase from state/local contracts
- Build relationships to drive more tailored specifications
